Sponsorship for Tourist Visa Application (C-3-9) – Alfred Jeevaranjan Joash Jesurun

Dear Sir/Madam,

We, Alfred Jeevaranjan Samuel Thisaveerasingham and Victoria Vanathy Alfred Jeevaranjan, writing this letter to confirm our full financial sponsorship for our son, Alfred Jeevaranjan Joash Jesurun (Passport No: **N9164226**), for his upcoming 7-day tourist visit to South Korea from November 23, 2026, to November 30, 2026.

Our son is currently a full-time second-year undergraduate student pursuing a Bachelor of Science with Honours in Artificial Intelligence at the University of Moratuwa in Sri Lanka. As he is completely dedicated to his intensive studies, we have agreed to fully fund this holiday as a gift for his hard work, **especially for his 22nd birthday on November 22nd the day he will fly from Sri Lanka, and arrive in Incheon on the 23rd and return back on the 30th of November 2026.**

We hereby guarantee that we will cover all expenses related to his trip, including but not limited to:

- Round-trip airfare
- Hotel accommodation at the Bongrae Motel, Incheon
- Daily living expenses, meals, and local transportation
- Travel insurance and any unforeseen medical or emergency expenses

To demonstrate our financial capacity to sponsor this trip, we have attached the following documents to his application:

1. Our UK Bank Statements (HSBC and Lloyds Bank) covering the last 6 months.

2. Our recent payslips as proof of steady employment and income.

(Please note: Victoria's employer payroll system still reflects our previous address in Loughborough, but her salary deposits can be verified directly on her Lloyds Bank statements which reflect our current London address).

3. Copies of our passports and UK eVisas with Share Code (Proof of Legal Status).

We assure you that our son intends to visit South Korea strictly for tourism and sightseeing. He has every incentive to return to Sri Lanka immediately after his 7-day holiday to continue his university education.

We kindly request you to grant him the necessary tourist visa. Should you require any further information or clarification, please do not hesitate to contact us at the phone number or email address provided above.

Thank you for your time and consideration.

Sincerely,

Mr. A.J. Samuel Thisaveerasingham

Mrs. Victoria V. A. Jeevaranjan
